

HEAT PUMP REBATE APPLICATION

Please verify that the following requirements have been met before submitting this form

Rebate Requirements:

- 1 Applicant must be a member of Noble REMC.
2. Qualified equipment must be installed and operable in applicant's single-family, owner-occupied residence located on Noble REMC lines.
3. Noble REMC rebates are not combined with any rebate programs from our wholesale power provider Wabash Valley Power Assn.
- 4 Member is eligible for one rebated up to a 10-Ton maximum.
5. All applicable fields must be completed on the form to receive a rebate (installation address is required).
6. **A copy of the invoice(s) for the new equipment must be stapled to the back of this form.** Invoice must be marked "paid" or show a zero balance. Invoice must show the manufacturer and model number of the unit(s) installed. If you are installing your own unit, you must provide a copy of the receipt for the purchase of the equipment showing the manufacturer and model number of the unit installed. If the manufacturer and model number are not located on the invoice or receipt, provide separate documentation that shows the manufacturer and model number of the unit installed.
7. **A copy of the Air-Conditioning, Heating and Refrigeration Institute (AHRI) certificate and a copy of the heat loss/heat gain calculation must accompany the application.** Both should be obtained from the installing contractor.
8. The rebate form and invoices must be postmarked within 30 days of the product purchase or installation. Rebate is for equipment purchase only and does not include labor costs.
9. Total heat pump or geothermal rebates are limited to a maximum of 10 tons.
10. Please allow 6 to 8 weeks to receive your rebate. Incomplete rebate forms will not be processed. Rebate will be in the form of a check.
11. Noble REMC reserves the right to change or terminate this program at any time without notice.
12. Completed and signed rebate forms with a copy of the paid invoice for equipment and proof of installation can be mailed or dropped off at your electric cooperative.
